As we enter Summer, I just thought I would remind all Illinois appraisers that time is running out! As you know, our license will expire on September 30th of this year. Please, sign-up for CE as soon as possible. Visit www.naifa.com or www.chicagonaifa.com, for up to the minute courses scheduling. You are required to take a 7-hour USPAP update course every renewal period. The Chicago Metropolitan Chapter will be hosting the next USPAP course on Wednesday, July 6, 2005. To enroll, please call NAIFA headquarters at 312. 321.6830 or visit www.naifa.com.

Additionally, as a member of the Chicago Metropolitan Chapter, your chapter dues included membership to the Illinois Coalition of Appraisal Professionals (ICAP). Please visit their website, www.icapweb.org, to find out the latest news within the appraisal profession. As a reminder, sign up for ICAP's summer seminar on July 14, 2005 in Naperville, IL. As you know, this seminar books up fast so don't delay. This is a great way to obtain 7 hours of CE credit in Illinois.

So far this year, we have had two informative luncheons with great turnouts. In March, we had a speaker from Chicago Zoning and in May we were happy to have the Illinois Director of Appraisal Administration, Mike Brown. I want to thank all of you that have attended these luncheons. I know that our deadline driven profession sometimes can interfere with the attendance of such events. I will keep you apprised of future luncheons.

This year, we are once again hosting a golf outing on July 27th at the Silver Lake Country Club in Orland Park, IL. This golf outing is held in honor of Gordy Bormus. The fees are as follows: \$85 for golf, lunch and dinner; \$60 for golf only; \$35 for dinner only; and \$100 for hole sponsorship. Please contact Migs Murray at 708.301.5059 to sign up. This is our first outing in a few years so please join us!!

And finally, I am pleased to announce our chapter membership continues to grow with new members Edmond Hafeez and Mark Ferguson. Welcome!!!

In closing, please keep checking our website for scheduled continuing education as well as pre-licensing and upgrading courses. As this is a renewal year, courses tend to fill up, so register early. All courses are held at the Willowbrook Holiday Inn on Route 83, just north of the I-55 Stevenson Expressway.

Please feel free to contact me if you have any questions.

Keep Cool!!!
